

# PUNTO PLUS

The ideal all-in-one workstation solution

The Punto Plus is a unique feature-rich workstation solution that provides the user with up to 2 power outlets (SA market only), dual port USB charger+, Data/Comms\* and a pull-through cable system to allow cables to be routed through a work top.

Even with all these features, the Punto Plus is a very compact and easy to install unit, able to fit into an 80mm hole making it the ideal all-in-one workstation solution.

+Available with 2 USB-A ports or 1 USB-A and 1 USB-C charging port.

\*Interfaces available for Data couplers, HDMI or blank (others by special request)

o Colour options available:  
White / Black / Light grey

All measurements are in millimeters unless otherwise indicated
